7:00 PM - 11:00 PM on Saturday (July 27) - (0/4 slots available)

New and Experienced players welcome! Come as silly or serious as you like, though the themes might bridge on the intense - so a little silly might help break the tension! It is Anime Iowa, after all, so have fun with it.

Characters for every game will be Level 6, of any WOTC-official content. DM me for more details, and if you'd like to reserve a spot for any time slot!

(Any unreserved slots at game time will be available for pickup on a first-come, first-serve basis. Creating a character ahead of time is not required, but encouraged - I will have spare PCs and dice)

MINDBRIDGE

Anime Iowa is a 501©7 not-for-profit project managed by the Mindbridge Foundation which also manages our 'sister' conventions:

Gamicon – Gamicon is Eastern Iowa's premier game convention. We offer three days of family friendly events ranging from scheduled board, card and role-playing games to a live game auction and a huge game library that lets you choose the gaming experience you want. Now in our 34th year, we have established ourselves as the go-to game event for Eastern Iowa and much of the Midwest.

ICON – is an annual science fiction convention held in the Cedar Rapids/ Iowa City area of Iowa since 1975, usually in late October or early November. It is the oldest and largest science fiction convention in Iowa. Join us for our 49th year & check out the fun.

You are invited to a special Mindbridge gathering & meeting. Sunday July 28, 2024 at 1:00 PM in Programming 3 (Oakdale 3) This meeting is open to the public.

Let us answer your questions about what Mindbridge is, and how as a not for profit foundation it provides a resource group for those interested in Science Fiction, Fantasy, and related areas. Located in the Iowa City area we devote most of our attention to Eastern Iowa. Below is a list of some of the resources we provide.

- Central Communication for Fans
- Local Science Fiction/Fantasy, Gaming and Anime Conventions
- Volunteer Support for SF/F related events
- Convention Registration and Accounting Services
- Author Signings (as available)
